

Serial No.: Not Assigned
Filed: Herewith

2 ~~13~~¹. A nucleoside according to claim ~~12~~¹ wherein said electron transfer moiety is an organic electron transfer moiety. —

3 ~~14~~¹. A nucleoside according to claim ~~12~~¹ wherein said electron transfer moiety is a transition metal complex. —

4 ~~15~~¹. A nucleoside according to claim ~~12~~¹ wherein said transition metal complex comprises ruthenium. —

5 ~~16~~¹. A nucleoside according to claim ~~12~~¹ wherein said transition metal complex comprises iron. —

6 ~~17~~¹. A nucleoside according to claim ~~12~~¹ wherein said transition metal complex comprises osmium. —

7 ~~18~~¹. A nucleoside according to claim ~~12~~¹ wherein said transition metal complex comprises rhenium. —

8 ~~19~~¹. A nucleoside according to claim ~~12~~¹ wherein said transition metal complex comprises cobalt. —

9 ~~20~~¹. A nucleoside according to claim ~~12~~¹ wherein said transition metal complex comprises palladium. —

10 ~~21~~¹. A nucleoside according to claim ~~12~~¹ wherein said transition metal complex comprises platinum. —

11 ~~22~~¹. A nucleoside according to claim ~~12~~¹ wherein said electron transfer moiety is attached via an amine group at said 2' position. —
